

Coming Soon!

LEGACY

Legacy™ All LED Lightbar

- Lower profile than Liberty but rivaling in intensity.
- Attention getting new Flash Patterns.
- Structurally designed for all LED modular performance.
- No dead spots, no gaps, 360° of contiguous light.
- Solid and DUO™ color.
- Lighthoods attach directly to the extrusion for improved thermal management.
- Two piece slide-on dome weather seals all internal components.
- Single center divider with LIM (liquid injection molded) seals, inner ridges and wiper seals assure lightbar integrity in all conditions.
- WeCan® only. Sapphire™ and CanTrol™ "plug and play" performance.
- Hard-coated lenses.
- Newly designed one-piece "combo" corner reflectors.
- Integrated alley and warning modules. Adjustable Take Down and Alley lights available.
- Draws up to 2 amps per lighthood.
- Standard lengths 44" 48" 55" and 60".
- Built-in Low Power default setting via photo cell is certified Class I.
- Low-profile mounting feet.
- Many patents pending.

LED Inner Edge® XLP

- Slimmed down Inner Edge extends driver vision and improves line of sight.
- Vehicle specific models minimize flash back, sit tight to the windshield.
- Low profile complements new Police vehicle design.
- Low current style wiring.
- Red, Blue, Amber and White.

WHELEN

Coming Soon!
